

# Aerobatic team RUSS

**25 years**

**6 pilots**

**20 engineers**

**Over 250 displays...**

Five jet aircrafts in the sky in a clear formation illustrate performing maneuvers as one unit, a rapid and clear change of shapes - a breathtaking spectacle.

**Aerobatic team RUSS was founded in 1987 on the base of Vyazemskiy Avicenter.**

**RUSS is the oldest Russian jet formation team.**

**Today the squadron RUSS is a team of the highest international-level pilots.**

Geography of performances - more than 40 cities  
in Russia, and also 7 countries:

Poland, Czech Republic, Belarus, Latvia, Ukraine,  
Estonia and Denmark.
